

David Schnibben

203 Marshview Dr. Richmond Hill, GA, 31324

Phone: 843-992-6283 E-Mail: schnibbend@gmail.com Website: web-students.armstrong.edu/~ds6225

Skills and Abilities

Technical abilities:

I am proficient with the following operating systems; Mac, Windows, IOS, Android. I have a fundamental background in following computer languages; C++, C#, JAVA, HTML, CSS.

Communication abilities:

Through my time in law enforcement I spent a vast amount of time writing reports of incidents for detectives to read latter. I was able to paint a clear picture of a scene on paper so that anyone reading my report, even years later in court, would be able to understand exactly what I had observed and what I did on any given scene.

Problem solving abilities:

As a Police Officer my main objective was to solve problems. I was able to quickly gain an understanding of any situation, however complex or stressful, and reach a solution that benefitted each party involved.
